**KIMBERLY
NICOLE
CAMERON**

NORTH HARRIS COLLEGE

Houston, TX

Major: Nursing

Vital stats: 5'6", 112 lbs., 34D-25-32. **Date drill:** I ask tons of questions so I get a good idea of who the guy really is. **Date disasters:** I gave the impression I was interested in him too early in the evening. It didn't end well. **Encore:** If he's ambitious, fun to be with and clean-cut—with a bit of a wild side—I'll usually give him another try. **Sports report:** Volleyball and football are my favorites. **If I could:** I'd think like a man! It would be a great advantage.

**JEANETTE
MARTINEZ**

BREVARD COMMUNITY COLLEGE
Cocoa, FL

Major: Business

What stats: 5'7", 110 lbs., 34C-24-35

Career goals: I already have my real estate license, but I also enjoy interior design, so maybe I'll combine the two into a business. For fun: I love to dress up, go out on the town, dance and have a great dinner. **A keeper:** is emotionally secure, considerate, affectionate and funny. **A dumper:** is boring, pessimistic, insecure and cheap. **Special interests:** Meditation, yoga, cooking, reading, working out, being with friends and family, and shopping.

JILL SCOTT

ARMSTRONG ATLANTIC
STATE UNIVERSITY

Savannah, GA

Major: Business management

Vital stats: 5'4", 112 lbs., 2003-04

34. Then: Poppy, smart, and popular—but also tough and very athletic. Now: Independent and determined. Date drift: Laugh, party and eat breakfast—but never at his house! Looks or personality? A little of both, but we have to look good together. Life altering: I wish I weren't so sensitive. I always feel like I'm being judged harshly by others. Family matters: I come from a long line of beautiful, but high-maintenance women. My grandmother had a boob job and a facelift!

**LOREZ
FIELDS**
UNIVERSITY OF
ILLINOIS-CHICAGO

Chicago, IL

Majors: Biology, premed

Vital stats: 5'7", 120 lbs., 34B-23-34. **Career goals:** To become a model and singer.

My backup plan is to become a doctor. **Turn-ons:** A great body, sexy lips, pretty eyes and a sense of humor. **Turnoffs:**

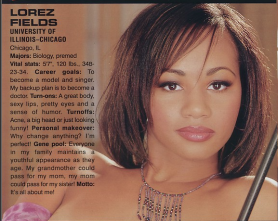

Acne, a big head or just looking funny! **Personal makeover:**

Why change anything? I'm perfect! **Gene pool:** Everyone in my family maintains a

youthful appearance as they age. My grandmother could

pass for my mom, my mom could pass for my sister! **Motto:**

It's all about me!

FASHION INSTITUTE
OF TECHNOLOGY

**MYAH
POLLAK**
FASHION INSTITUTE OF
TECHNOLOGY

New York, NY

Majors: Advertising, marketing

Vital stats: 5'0", 115 lbs., 38D 25/35

First-date drill: I'm always offensive, but I never sleep with the guy (or eat spaghetti)—both are just complete nooses!

Busted: I used to jog by my ex-boyfriend's house to catch a glimpse. He knew what I was up to and thought I was a complete loser, which I admit I was. But I did end up getting in great shape! **What is it about guys?** I don't get why they're romantic in the beginning and then get lazy. It's very disappointing. **Dare me:** And I'll streak through Central Park. That would be hysterical!

Motto: Eat dessert first!

**MICHELLE
EILEEN**
SETON HALL UNIVERSITY

South Orange, NJ

Major: Nursing

Vital stats: 5'4", 118 lbs., 34C-23-

34. **Career goals:** To work as an

RN, and maybe become an

obstetrician. **Then:** I was playful,

talkative and curious. **Now:** I'm

hardworking, but still playful, and

very talkative. **If I could:** I'd spend

an entire day naked in the sun

with someone I love. **Personal**

makeover: I honestly like myself

the way I am, but if I had to change

something I'd grow my hair longer.

The scent of a woman: J'Adore by

Christian Dior. **Motto:** Grab all

opportunities as they come.

CHRISTINA SANCHEZ

WILLIAM PATERSON UNIVERSITY

Wayne, NJ

Majors: Advertising, graphic design

Vital stats: 5'8", 124 lbs., 36D-25-35

Career goal: To make good money as a graphic designer without putting in too many hours. **As a kid:** I was shy and pudgy with Coke-bottle glasses.

Now: The glasses and baby fat are gone and I'm secure and very independent. **Date advice:** Don't show off or be overly polite. Every

woman likes a challenge, so don't do the nice-guy stuff. **Kitchen triumph:** Toast. I'm a really bad cook!

**JENNIFER
THIELE**

TACOMA COMMUNITY COLLEGE

Tacoma, WA

Majors: Theater, literature

Vital stats: 5'10", 130 lbs., 34D-24-34

Then: I was a daydreamer. **Now:** Still a daydreamer, but self-confident, driven and caring. **At ease:** Writing and acting are not only my college majors but also my personal passions. When I have time, I also love to figure-skate. **Three best things about men:** Lips, butts and height. **Three best things about women:** Boobs, butts and snail. **Kitchen triumph:** Sauerkraut and dumplings.

MICHAEL WYLDE

West Lafayette, IN
Majors: Communication, advertising

Vital stats: 6'1", 140 lbs., 36C-29-34. **Career goal:** To be a graphic designer for an ad agency or magazine. **Eye catcher:** For obvious reasons, I prefer a tall man. I'm not a small woman, so I like a guy who makes me feel like one. **Date rate:** I'm back in the game. I had a boyfriend until about a month ago, so I'm adding "okie" to my list. **Date dos:** Evaluate his table manners and find out about his family. **Date don'ts:** Talk about past relationships or drink beer. **Encore:** If a guy has good manners and is polite, I'll almost always go out with him a second time. **Good sport:** I enjoy watching boxing and Purdue (and only Purdue) football. **What's with guys?** Why do they think women are confusing? We tell them what we want and don't want—so what's confusing about that?

**JENNIFER
MARIE**

**AZUSA PACIFIC
UNIVERSITY**

Azusa, CA

Majors: Prelaw, business
administration

Vital stats: 5'11", 125 lbs.,
36C-23-36. **Date rate:** I
don't date much, I'd rather
spend time with friends than
torture myself regularly. I
usually cry before first dates
because I hate them so
much. **Tell me why:** The
number of times Barry
Bonds hit to left field against
right-handers in stadiums
with domes is an im-
portant piece of information
to guys. **Good choices:** I
choose my friends wisely. I
believe the best measure of
a person is seen in the
company he or she keeps.

**LOGAN
MCKENNAH**
UNIVERSITY OF GEORGIA

Athens, GA

Major: Biology

Vital stats: 5'3", 110 lbs., 34C-24-34. At

ease: I hang out at the mall with my friends. Turn-on: A nice ass and a great smile. Turn-off: A bad laugh. Figuring out the male mind: Some men are a little deeper than others. But whether he's deep or shallow, you just have to make such one feel comfortable. Unless: He's totally self-absorbed! In that case, I won't waste my time. Nude move: Posing was great! It's such a wonderful experience to be yourself and to be playful. I'd do it again in a heartbeat.

Y Minnie Gupta (below) is stunning—an exotic yet classic beauty. Why can't more of the models look like her? Please let her know that I'm her number-one fan. ...Brandon G.

We agree that exotic is erotic—so we've dedicated an entire issue to hot and spicy ethnic diversity. *Exotic Beauties* is now available on newsstands!

Y I can't get enough of Genevieve Michelle (above). She's so sweet, sexy and beautiful—with just the right combination of exotic appeal. Please give me more! ...B.W.

Y You guys have outdone yourselves with the latest *Voluptuous Vixens*—it's the best issue I've ever seen. With beautiful women like Miriam Gonzalez, Missy Mesmer (below) and cover girl LaTasha Marcello, this is one issue I hope to hang on to for years. ...E.W.

Y I recently bought a copy of the *Sexy College Girls SE* and was pleasantly surprised to find it filled with college girls going wild! The photos of Terri Lynn (left) and Leslie Elizabeth (right) from Mardi Gras were awesome. I don't know whether it was the combination of a sexy redhead and a beautiful blonde or the sexually charged energy they seemed to share on the balcony. Whatever it was, it worked—so please keep doing it! ...S.W.

Y You featured Katie Cleary in the most recent issues of *Sexy College Girls* and *Wild & Wild* and in the fall 2001 *College Girls*, but in all three appearances I have yet to see a photo of her without her panties. What gives? Please try to correct this obvious oversight in the future. ...S.B.

Well, we got her down to a thong in the Sept/Oct Book of Lingerie. Order a copy online at playboy.com or by phone at 1-800-959-4433.

Y I loved *Playmate Review*. You guys have outdone yourselves in selecting some of the most amazing women I've seen grace your pages this year. But how could the readers not have voted for Katie Lohmann (right) to be PMOH? You could make it up to me by featuring her in the SEs more frequently—every single month, in fact. Please give Katie my fondest, deepest thanks for choosing to pose. I hope she'll continue to do so. ...K.R.T.

Y Here's a special thank you to all the glorious Playmates in *Playmate Review* for giving me the uplift I need to deal with depression. A daily dose of Playmates does more to lift my spirits than 50 milligrams of Zoloft. Plus, with Playmates I'm not limited to a single dose per day! My favorite Playmate? Right now it's the exquisite Jennifer Walcott (left), but as a group this was the most uplifting collection of beauties I've ever seen. Many thanks. ...Roger N.

How cool is it to be a cover girl?

I thought I was going to Chicago to *test* for the cover, but they told me I had already been picked! It was a dream come true—I was speechless.

What's the buzz back home?

Family and friends are just as excited as I am! Everyone's been completely supportive.

Tell us about your visit to the Mansion.

Totally amazing—I was in awe! I went to one of the parties and, yes, it was as wild and exciting as you imagine. Hef was charming—no one throws a party like he does. It was a great experience I'll cherish for the rest of my life.
